

Link Housing will shortly start promoting the property through their real estate outlets and begin to show the property to prospective tenants.

On Friday 30th August from 10:00am – 6:00pm we will have our final working bee:

Some of the Jobs that will need doing:

- *Hanging of pictures and mirrors*
- *Furniture building - fairly easy DIY put together furniture donated by Furniture by Design.*
- *Unpack and place lamps*
- *Unpack and place rugs*
- *Set up the Kitchen and Kitchenettes*
- *Garden tidy up*

*We have put together a list of final items needed. It is important to remind people **that they should give what they would be happy to receive.** Items if not new, should be clean without any damage and matching or full set. I have steered away from electrical items because we can't really accept second hand electrical items that are not tagged. On the whole people are so very generous with what they give but we do follow a fine line between that and ending up being the local Vinnies donation bin. This can not only be time consuming to manage but certainly disheartening. We will only pass on items that allow the new residents to feel valued.*

Hills District Netball Association have done a pantry drive and we are collecting those goods this coming weekend and we have been fortunate to have the International Soroptimists Hornsby continue their dedicated commitment to our Shelter by shopping for the upstairs apartment that will house women coming through the Hornsby Ku-ring-gai Women's Shelter.

Finally we have an opportunity for sponsorship of our community rooms of which we have 8 available. Sponsorship simply allows groups naming rights of a room and a listing on the main sponsorship board. In early 2020 we will be opening the spaces up for hire. If a community room sponsor wishes to use the room for a meeting, there would be no charge.
