

Dear Sir/Madam,

I refer to your previous submission or online survey response to the City of Parramatta Community Consultation on [Council's Comprehensive Heritage Review](#), provided between December 2024 and March 2025.

We would like to inform you that the outcomes of this consultation—along with Council's draft Integrated Heritage Strategy and Heritage Conservation Areas Review—will be presented to Council's Planning, Transport and Environment Committee on **28 October 2025**, and to the full Council on **10 November 2025**.

At these meetings, the Committee and Council will acknowledge the community feedback provided; and will also consider endorsing the draft Integrated Heritage Strategy and Heritage Conservation Areas Review for public exhibition to enable the community to provide additional feedback.

Further information on these matters can be found in Council's [Business Papers](#) and will be available 3 days before the Committee meeting and 10 days before the Council meeting. *Note: Please search the Business Paper webpage via the relevant meeting name and date to find the link to the relevant agenda and report item.*

Meetings can be attended in person or can be watched via [Council's meetings livestream](#). Residents and community members can register to speak on any item on an agenda for Council and Committee Meetings by following the process on [Council's website](#).

Should you have any questions, please contact Diane Galea, Team Leader Land Use Planning on 9806 5085 or Paul Kennedy, Project Officer, Land Use Planning on 9806 5093.
