

The General Manager  
Hornsby Shire Council  
Dear Sir,

### **Draft 2026-2030 Delivery Program and 2026/27 Operational Plan**

Dear Sir,

The Beecroft Cheltenham Civic Trust supports the local community's desire for 79-87 Malton Road Beecroft to be incorporated into the existing open space along Byles Creek. Such an action would be consistent with the Trust's constitution, namely to protect and preserve our natural bushland.

The Trust is aware of the history of the site but also aware of the large challenges involved in achieving this process. However, the Trust would be remiss not to raise this long standing matter with Council. Hopefully Council, perhaps in cooperation with other government agencies, could work out a way of including the acquisition of this site in Hornsby Shire Council's delivery program.

Yours faithfully,

Ross Walker OAM  
President  
Beecroft Cheltenham Civic Trust
